LETTER TO OFFICIAL DRAFTSPERSON

Dear Mr. Horn:

When the issue fee was paid on the above identified application, a request was made for expedited handling on this application, this being done because we believe that a substantial number of infringements of this patent may be occurring. When I spoke to the Drawing Processing Branch earlier today, I was told that the application was being delayed in the Drafting Division because formal drawings had not yet been received. Formal drawings were filed in this application on August 7, 1997. In order to expedite the processing of this application, attached is a copy of the transmittal papers for the formal drawings along with a copy of the formal drawings. Your cooperation in expediting the processing of these drawings and passing the case on to the Issue Branch is very much appreciated.

Please contact me if there is anything further I can do to expedite the issuance of this application.

Respectfully submitted,

By:
